\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The priors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best.

HADN'T LOST ANY BEAR

Z. C. Chambliss and party, of Ocala, Fla., who have been enjoying themselves in this vicinity for some time past, departed for Denver this morning.

Mr. Chambliss is a member of the firm of Munroe & Chambliss, Bankers, at Ocala, Fla., and visited this part of the country to enjoy the hunting.

Yesterday, under the guidance of Henry Hubbard, he hunted through Red Canon and Devil's Den—the home of the bear, the deer, the grouse. Early in the day Chambliss scared up a covey of birds numbering sixteen in all and after he had emptied both barrels of his LeFevre hammerless at them he bagged ten.

They were as nice a string of birds as were ever brought in town, so says Mine Host Chase, of the Hotel Glenwood.

Mr. Chambliss said to the reporter that while in the Devil's Den he saw many signs of bear and even heard one scrambling away at the approach of the hunters, but added, "I haven't lost any bear," so let Mr. Bruin go.

Before departing for the east Mr. Chambliss declared his intention of returning to these parts next year for a more protracted stay.—Glenwood, Col., Avalanche, August 22.

Miss Miriam Pasteur and Miss Edith Ward having tendered their resignations to the positions to which they were elected by the Ocala school trustees, the board filled said vacancies by electing Miss Claudia S. Miller, of Lake City, and Professor Van Brunt, of Tallahassee, whose standing as educators is of the very highest grade. Miss Pasteur goes to Summerlin Institute, while Miss Ward will remain in New Jersey.
